Hi Natsumi,

After careful review, we're unable to verify your account right now. It's important to note that this decision doesn't limit your ability to grow and develop your account. We encourage you to resubmit your request for reconsideration in 30 days.

In the meantime, please continue reporting fake accounts to our team: <https://www.facebook.com/help/contact/275838595859624>. This will help make sure that your fans and followers can easily find your authentic Facebook presence.

Keep in mind that you can now broadcast live directly from your Page or profile using the latest version of the Facebook mobile app. To broadcast live, open the Facebook app, select the icon to create a new post and choose the "Live Video" option.

Hi Natsumi,

Thanks for contacting us about verifying your Facebook account. We've reviewed your account closely; however, we're not able to verify your account right now. Verification is based on a number of factors and is different from policies on other social platforms. This doesn't limit your ability to grow and develop your account and followers. You may resubmit your account for reconsideration in 30 days.

Our team is more than happy to help you further establish your authentic presence by removing imposter accounts. Please continue reporting imposter accounts to us, so your fans can easily find your authentic Facebook presence: <https://www.facebook.com/help/contact/275838595859624>.

Best,
